EVENT TYPES

CORE MEETINGS

Intention Setting & Action Planning
We'll talk through buckets of camp, think about visions for them, and come away with action steps to make it happen in 2023!

Guest Facilitator Call
You'll hear from one of our faculty members (Allison Klee, Chris Rehs-Dupin, Nelson Strickland, and Simone Gamble) OR a guest expert. They'll give you insight and facilitate discussions to help us learn and grow together.

Somebody Something
Whether you know it or not, you probably are a SOMEBODY with a SOMETHING! For these meetings, members bring an issue, thought, something you're working on etc. that you'd like to get some insight from your peers about.

Camp Schedule Brainstorm
Bring schedule-related resources/ideas/questions and work together to come up with innovative and inclusive ideas.

MONTHLY EVENTS

Research Club with Sami
Join Sami once a month as she provides a scholarly article and we talk about how it relates to camp. If you're looking to take the best from other industries and bring it to the camp world, this is the group for you! This month's article is here.

Executive Roundtable with Allison
Camp owners, execs, decision-makers - this is the group for you! Allison will facilitate discussions around higher-level parts of camp so we can learn and grow together.

Day Camp Deep Dive with Allison
Looking to make an even bigger impact at day camp this summer? We're here to help! We'll facilitate discussions specifically for day camp camp pros.

Restorative Justice with Klee
Is RJ a part of your camp? Are you hoping it can be? Meet once a month with Klee to talk about RJ, why it matters, and what it could look like at camp.

Partner With vs. Power Over with Allison
Each month, we'll get together and talk about different parts of camp, what power we're holding onto, and how we could shift toward more partnering with.

Talking Equity with Simone Gamble & Chris Rehs-Dupin
If you're working on justice, equity, diversity, and inclusion at your camp, this is the group for you!

EVENT TYPES & MORE INFO

MONTHLY EVENTS CONTINUED

Female+ Caregivers with Allison
If you identify more with females and a caregiver and you want to talk to other people like you, this is the group for you! We'll come together every month to talk about the ups and downs, brainstorm ideas, and build community.

Male+ Caregivers with Drew & Mike
More male-identifying caregivers - we've got something for you, too! We'll come together every month to talk about the ups and downs, brainstorm ideas, and build community.

Behind-the-Scenes with Scott
Every month, Scott Arizala is taking you behind-the-scenes at camp with facilitated discussions around budgeting, licensing, and more.

POP UPS

Affinity Groups
We'll bring some topics with possible answers, and you'll break into groups with people you share an answer with.

Coworking
Low pressure - lots of fun. Work on whatever you're working on while we hang out on Zoom.

Mini Crisis Challenge
High pressure - lots of fun. Work through small crises before they happen!

PREP WORK

Some meetings will be better if you do a little thinking or bring something with you. Those meetings (and what you they need) are:

- Intention Setting & Action Planning (Jan. 3) - Look over (or bring) your strategic plan (if you have one!).
- Research Club (Jan. 9) - Read this article!
- Somebody Something (Jan. 17) - Think about what you're working on, what questions you have, what problems you have, etc., and be prepared to talk about it (with context) if you want to share!
- Partner With vs. Power Over (Jan. 18) - This month will be pretty introductory but bring your latest out-of-office email (if you can find it) and your staff application.
- Camp Schedule Brainstorm (Jan. 31) - Bring the latest copy of your schedule and any questions or ideas you may have!
